MEDIA RELEASE

RESIDENTS WELCOME DAY

Bletchley Park was delighted to host a welcome event for newcomers to the estate on Sunday, 2 May.

Families who had recently bought in the Waterside and Hedge Lane precincts were invited to the morning tea event, which was hosted in a picturesque setting by the lake. More than 80 people attended the event and enjoyed the perfect Autumn sunshine.

Children were entertained by a fairy face painter and a pirate balloon twister, while the adults played an interactive game which allowed them to meet up with their new neighbours.

Mayor Olwen Searle addressed the guests and talked about the wonderful life offered in Southern River.

About Bletchley Park

Bletchley Park is a flourishing, master-planned community in the heart of Southern River, a highly sought after, well-serviced region just 17kms south of Perth.

Reminiscent of the iconic London WWII establishment from which it takes its name, Bletchley Park is fast becoming a famous location unto itself, now boasting a primary school and childcare centre along with natural waterways, bushland and beautiful parklands. A shopping centre will soon join this impressive list. Over time, Bletchley Park will become home to over 1600 families. Visit www.bletchleypark.com.au for more information.
