

### **Deputy Mayor Welcomes New Residents to Bletchley Park**

City of Gosnell's Deputy Mayor, Councillor Bill Wiffen JP, formally welcomed new residents to the Bletchley Park master-planned community during a New Residents' Welcome Function, which was held in the spacious rear garden of the Bletchley Park sales and information centre on Sunday 19 June 2011. New residents were able to enjoy magnificent views, as the rear garden of the sales and information centre overlooks the "much talked about" Bletchley Park central lake.

Swans and ducks took centre stage as they moved elegantly passed the lake's central fountain, whilst families and children enjoying the passive recreation areas around the lake, completed the picture.

The function was well attended with over 60 new residents and their families turning out for a pleasant Sunday sumptuous morning tea.

Bletchley Park celebrity chef Simon Watkins again served a superb barbecue morning tea; and provided some hints on preparing and cooking gourmet barbecue dinners.

New residents were personally presented with a gift in recognition of them becoming residents of Bletchley Park.

The Wallis Property team constantly focuses attention on community building activities and this new residents' welcome initiative is one of the most popular activities on the events calendar.
