Important Notes:

As detailed in the Contract of Sale, prior to landscape installation the landowner is required to:

- Install a 90mm PVC pipe under driveway, 4 metres from the carport/garage. This is required for the installation of irrigation pipes and should be clearly pegged/left exposed.
- Arrange for an external power point to be installed next to the meter box.
- Arrange with a licensed plumber installation of a plumbing cut-in with a 20mm gate valve with back flow protection adjacent to the water meter.
- Ensure that the site is clean and graded to final levels (generally 30mm below the top of driveway).
