

Why we love ...

Selbourne Road

1 Community There is a sense of community and security here because we know everyone and we know the kids are safe because of that.

2 Safety This street is such a low traffic area, the kids, all 18 of them and friends from neighbouring streets, can play safely in the street after school and on weekends.

3 Schools Bletchley Park Primary School is so close and the kids love it. Its a newly opened independent school.

4 Access Everything we need is here, or we can get to it easily. Fremantle is just 20 minutes drive from here and a new Bunnings store will be opening soon on Ranford Rd.

5 Facilities The estate is well served with parks and lakes to visit, and footpaths on which kids are safe to walk and ride bikes and scooters.
